

Join TEAM CARONE FOUNDATION and be a part of a movement powered by love, loyalty, faith, and community.

We make up Team Carone Foundation, We are dedicated to carrying on the legacy for Rick Carone. Rick during his diagnosis of IV pancreatic cancer was on a journey to hunt down and defeat stage IV pancreatic cancer while giving back to his community. Now we carry that forward as a community committed to making a difference in our community and pancreatic cancer research. In 2018, pancreatic cancer is the third leading cause of cancer-related death in the U.S. an estimated 44,330 people in the United States will die from pancreatic cancer. And an estimated 55,440 new cases.*

This cancer is one of the most difficult cancers to treat and subsequently, one of the most expensive for the family caregivers to manage in time and cost, so we are asking you to join our **TEAM**.

As a way to both honor our friend, help other families, fund cancer research along with fund local scholarships, we are hosting the sixth Annual **TEAM CARONE FOUNDATION #SHUTDOWNCANCER MUSIC FEST**," a day for food, music, friendship, laughs and fundraising on Saturday, September 22, 2018.

Alone, we can do little but together we can do so much. This is why we need your support. Our sponsors make this event possible and we are continually seeking out new partners to help us grow.
